Operational Summary - Tasker 91-5-H (U)

то:

DT

- 1. (U) Tasker 91-5-H is Project Number 91010 conducted against Target Number 5.
- 2. (S/NF) Remote viewers describe the target personality as a generally short, thin, and somewhat testy, mid-level manager involved in a field of communications and communication devices. The target personality appears to be responsible for some form of advancement described as a filetering and refinement process in the field of communications.
- 3. (S/NF) OPS COMMENTS: Correlation between the efforts of Viewer O25 and Viewer O79 is apparent. The sketches submitted by Viewer O49 could not be interpreted; however they are attached to O49's summary as possibly pertinent to the overall project effort.
